

Charles R. Crowe, Jr.

Education 2002 Jefferson State Community College Pinson, AL
▪ A.S., Building Science.

Experience 2003 – Present Strategic Industrial Solutions Birmingham, AL

Application Developer

- Developed and implemented multiple Wonderware Intouch (versions 7.1 through 9.5) systems for use at natural gas facilities.
 - Developed Wonderware Intouch systems as upgrades from existing ScadaVision systems.
 - Developed reporting systems using XLReporter that collect data historically and in real time from Wonderware Intouch.
 - Performed changes and additions to ScadaVision systems.
 - Configured and installed computers used for network monitoring. These are used for data display and storage, report generation and printing, alarming, and historical data logging and storage.
 - Configured and installed operator interfaces used in engine panels for compressor engines.
 - Provided training for station operators using Wonderware Intouch systems and Bristol Babcock 3335 controllers.
-
